STAYING CONNECTED

With our museums and galleries starting to reopen to the public and some people still working from home, it is more important than ever that we stay connected. Below are some of the many ways we can, as a sector, share our stories, ideas and lessen the isolation.

#MuseumFromHome and **#MuseumsFromHome** bring together galleries and museums from across the world to share and connect.

Little Lunch Online (LLOL) is a quick 30-minute chance to check in, share ideas and connect with each other while grabbing a quick bite of lunch.

Australia Council for the Arts is delivering a series of online webinars, *Creative Connections*, offering practical, accessible and useful content delivered by industry experts on key topics and emerging themes. The webinars are Auslan interpreted and live-captioned and will be published on the Australia Council for the Arts' website following the 'live' Zoom presentation.
