

Energy Efficiency Resources for Small-to-Medium Museums and Galleries

Museums & Galleries Queensland (M&G QLD) in partnership with Museums & Galleries of New South Wales, Regional and Public Galleries Association of New South Wales and Regional Galleries Association of Queensland, is pleased to release ***Clever Custodians***.

Clever Custodians provides **quick tips and other initiatives for improving the energy efficiency of small-to-medium museums and galleries**. Prepared by respected industry consultants, Timeline Heritage, this online resource combines factsheets, short films and links to other online resources that aim to assist the sector to reduce its operating expenses and carbon footprint, and to improve its long-term sustainability. The *Clever Custodians* materials are also available in hard copy and are being distributed to public museums and galleries across New South Wales and Queensland.

M&G QLD's Executive Director, Rebekah Butler, said today, "*Clever Custodians* completes the suite of energy efficiency resources developed by M&G QLD and our project partners to support the long-term sustainability of public museums and galleries. We acknowledge the generous support of the Australian Government's Energy Efficiency and Information Grants Program in producing these materials."

"*Clever Custodians* is a user friendly resource, particularly aimed at small-to-medium and volunteer-run institutions. It also serves as an opportunity to engage our communities in wider conversations about energy efficiency and sustainability practices."
