

FAIR ASSISTANT RECRUITMENT

About Affordable Art Fair

The Affordable Art Fair formula is simple – a relaxed, unstuffy environment in which people feel confident to explore, learn about and buy contemporary art under a ceiling price of \$10,000. Founded in 1999, the Affordable Art Fair is the world's biggest art fair organiser and now hosts 16 fairs annually around the world, including London, New York, Hong Kong, Brussels, Amsterdam, Stockholm, Hamburg, Sydney and Melbourne, and now Brisbane. It is owned by Ramsay Fairs, which also includes VOLTA Art Fair and British Art Fair.

Our overarching aim is to help more people discover the joy of collecting. To expand the art market by organising a fair that is welcoming, fun and educational; empowering our visitors to make purchases and benefiting galleries and artists. Please see www.affordableartfair.com for more details.
